### IBM ServerGuide Setup and Installation CD v9.63 for ...

I haven't installed Windows Server onto an IBM/Lenovo System x Server for quite a few years. In the old days, it was a case of downloading the ServerGuide ISO, burning it to a DVD, booting from it, and then running through the setup. When ServerGuide was done with the DVD it would be ejected, and you'd insert the Windows Server DVD.

### IBM repays millions to staff after messing up its own ...

"A Windows Server CD was procured, and we attempted to boot it to see if it could be recovered," recalled David. Alas no. Things seemed to boot up OK from the CD but then hung in the same place. With things starting to sound a bit like a popular Bernard Cribbins song from the 1960s , David began working through the hardware to find the problem.
