### Tort

A tort, in common law jurisdiction, is a civil wrong that causes a claimant to suffer loss or harm, resulting in legal liability for the person who commits a tortious act. It can include the intentional infliction of emotional distress, negligence, financial losses, injuries, invasion of privacy, and many other things.

### Tort - Wikipedia

Tort came into English straight from French many centuries ago, and it still looks a little odd. Its root meaning of "twisted" (as opposed to "straight") obviously came to mean "wrong" (as opposed to "right"). Every first-year law student takes a course in the important subject of torts.
